Your Favorite Restaurants Contest: A Love Affair Of The Heart and The Stomach

In late March, as the pandemic hit us all, the Law Offices of RF Wittmeyer Ltd. launched two companion contests to help the severely impacted restaurant industry in both our hometown and our local Hispanic communities. At the time, the pandemic was shockingly new and we were all just beginning to find our way. We also found ourselves wanting to help residents and businesses within our local communities during this crisis.

Over the years, we have enjoyed and taken great pride in being part of the vibrant northwest suburbs of Chicago, with a fondness for our hometown of Arlington

Heights, especially the grand variety of restaurants. So, for ten weeks, we asked for nominations from you for your favorite Arlington Heights restaurants and then held a weekly drawing and donated a \$100 restaurant gift card each week to one lucky person who had entered the contest.

As the original contest began to unfold, we then looked around to see how we could extend this program to help more of our communities. We decided to repeat the contest in our local Hispanic community, as our personal injury law firm represents many Spanish-speaking clients and felt we could also extend a spotlight to more of the small restaurants in our area.

Well, your nominations spoke from both the heart and stomachs! Voters mentioned the cherished connections with many of the restaurant's owners and staff; of trying a new dish each visit or repeating their favorites or; enjoying the authentic foods and delicious flavor blends from the chefs; or the very personal memories these restaurants stir of dining with friends and families. Or, as one nominee said of their restaurant experience, it was simply "a little piece of happy!"

Meet Colby Costa: Our 2019/20 RF Wittmeyer Community Service Scholarship Recipient

As is the way of 2020, Attorney Wittmeyer and Colby Costa, our 2019/20 R.F. Wittmeyer Community Service Scholarship winner, met and chatted with each other via Zoom last month. The competition for this award was, once again, a fantastic group of accomplished young people. We found that what set Colby apart was not only his dedication to school and sports, but his commitment and leadership in his community service projects.

Read about how Colby organized a 5K race for the Wounded Warrior Project while recovering from surgery due to a severe leg injury sustained during his high school Homecoming football game. An injury that would alter his career goals and how he pivoted his future goals while staying true to his desire to serve his community.

No One Should Go Cold This Winter, Here's How You Can Help

Have you cleaned out your closets lately? We are coordinating with One Warm Coat for the third year to help support their mission to provide free coats to people in need. Their program is a nationwide not-for-profit organization that coordinates and promotes local coat drives like ours, across the US. Our Law Offices of RF

Wittmeyer drive is now running through December 18th. Clean jackets and coats for all sizes can be dropped off at our Arlington Heights office at our contactless donation box outside the suite. Collected coats will once go to some fantastic local community groups this year; PATH, Palatine Assisting Through Hope and Journeys, The Road Home.

As we say so many times, the need is great, but we hear it is even more so this year. Don't have a coat or jacket to drop off or uncomfortable dropping something off? We also offer the opportunity for monetary donations via the link below. Because of your generosity last year, we were able to deliver 85 coats to these local groups. Thank you in advance for your consideration.

Expanding Our Services To Elgin To Better Serve The Western Chicagoland Suburbs

“We are very excited to be expanding to the western Chicagoland suburbs with the opening of our newest office in Elgin, Illinois. Like the greater Kenosha area, we believe that the Elgin area and the surrounding western suburbs are underserved by experienced personal injury law firms. We also look forward to becoming a part of the Elgin community to better serve our growing Hispanic clientele – with those efforts being led by our Spanish speaking lawyer, Cindy Scolaro, and our Spanish speaking paralegal, Marisela Nevarez.” Ron Wittmeyer, Managing Attorney.

As we settle into our new office, we will be joining the Elgin Chamber of Commerce to learn more about the local businesses and community. We look forward to exploring the many offerings of life along the Fox River and the local

farms, along with the many cultural highlights in this growing and historic community.
