MARCH 2018

Greetings!

An important Primary election will be held in Illinois on Tuesday, March 20th. In addition to voting for Governor, Lieutenant Governor, and other key officials, your vote for the Judicial Candidates matters a great deal. Our top story includes a link to information from the Illinois State Bar Association to help you make an informed decision about the judges you vote for. Judges have tremendous influence on our judicial system so please take the time to read this information so you can make an informed decision when you vote this Tuesday.

YOUR VOTE COUNTS IN THE SPRING PRIMARY

Your vote really does count--especially in the race for judicial candidates. Click on the button below to go to our web page about the Illinois Bar Association's resource regarding the judicial candidates. They have done the work for you of evaluating each candidate for a judgeship. The evaluations of each judicial candidate are not endorsements of any particular candidate. Potential judges undergo a rigorous screening process to help determine whether they possess the legal knowledge and skills, integrity, and temperament to be good judges. Be sure to vote on Tuesday!

ARE YOUR PRESCRIPTIONS SAFELY LOCKED UP?

March is Poison Prevention Month

Children accidentally take prescription drugs everyday. It only takes a few minutes for a child to find a prescription bottle, open it, and take a dangerous amount of medication that could be life-threatening. Child-resistant prescription bottles are not actually child-proof. Protect the children in your home by locking your prescriptions in a specially-designed lock box.
